**MONTPELIER, Vt.** – The second meeting of the Clean Water Fund Board will be held on Monday, November 9, at 2:00-3:30 PM. The meeting will be held at the Natural Resources Board Conference Room, R206, in the Dewey Building at the National Life complex in Montpelier. The public is invited to attend.

The Clean Water Fund Board was created by Act 64, also known as the Vermont Clean Water Act, which was passed by the legislature during the 2015 session and signed by Governor Shumlin on June 16. As stipulated in the new law, the Clean Water Fund Board develops on an annual basis a proposal for investing revenues from the Clean Water Fund in programs that will make a significant contribution towards improving Vermont's water quality.

The agenda of the second meeting of the Clean Water Fund Board will include a review of the final proposals for program funding submitted by the Agency of Transportation, Agency of Natural Resources, and the Agency of Agriculture, Food, and Markets.
